

## REMARKS

The claims have been amended so that they will better agree with accepted U.S. practice and form, to eliminate multiple dependency, and to eliminate certain redundancies. For example, rather than amending claim 1 so extensively that the markings might be hard to follow, claim 9 is presented as the new independent claim from which all others depend.

Date: 16 December 2004

Respectfully submitted,

34825 Sultan-Startup Rd.  
Sultan, WA 98294
